▶ THE POWER OF FLEXIBILITY

The RC1 brings every major product category to employees through one powerful machine. Configurations are limited only by the preferences of your employees. Offer fresh food, beverages, snacks and candy to employees and customize the variety offered.

▶ EMPLOYEE MORALE

The convenience, employee gratification and benefits of full-line vending are now possible for almost any size workplace with the RC1. Give your employees the complete solution with the RC1 and, in return, your employees will give you a more positive workforce.

▶ HEALTH CONSCIOUSNESS

Employee welfare is paramount. With complete health and safety control for perishable products, the RC1 lets you provide milk, dairy-based products, yogurts in addition to cereal bars, granola bars and baked snacks for the wellness of your associates.

▶ PRODUCTIVITY

If a new RC1 saves just 5 minutes per employee per day at a 50-person facility, your business can avoid almost \$10,000 in lost productivity annually.
